Gateway

Gateway non è soltanto materia
o un muro di forme e colori,
ma qualcosa di più grande,
qualcosa che cerca un passaggio,
verso l'infinito.

*Gateway is not only matter

but something bigger,
something that searches a way

Wonderland Fabulous

design by Mighali - Faggiano

Spazi multisensoriali, una caduta libera in un trasognante e bizzarro “sottomondo”. Marmi colorati e sapientemente accostati, danno vita a racconti. Una rivisitazione ed un omaggio alle illustrazioni d’autore di favole sempre attuali.

Multisensory spaces, a free fall into a dreamy and bizarre “underworld”. Colorful marbles are skillfully combined and give life to the stories.

A remake and a tribute to famous illustrations and ever contemporary fairy tales.

Una atmosfera monocromatica,
d'incanto e stupefacente, dove le pareti
e i pavimenti prendono vita in un
gioco di effetti ottici
e forme tridimensionali.
E' una immersione in una realtà dalle
sfumature candide, dove vista e tatto
godono di continue scoperte.

*A charming and amazing
monochromatic atmosphere where
walls and floors come alive in a
game of optical illusions and three-
dimensional shapes.*

*It is an immersion in a world of
candid shades where sight and touch
enjoy continuous discoveries.*

Come per mezzo di una macchina del tempo, capolavori icona vengono reinterpretati attraverso il prisma delle nuove tendenze del design.

I più grandi artisti del passato sono i veri protagonisti del design del futuro, in modo nuovo e inaspettato.

Like through a time machine, icon masterpieces are reinterpreted through the prism of new design trends. The greatest artists of the past are the real protagonists of the design of the future, in a new unexpected way.
